FROM THE PASTOR'S DESK

Greetings to you in the name of our savior Jesus Christ!

It seems like the topic of change is not a topic that many people like to discuss or even experience, For instance I remember back multiple years ago at my father's body shop we were in the process of upgrading to a different paint. The new paint at that time was cutting edge, and for that time period was much more time efficient. However, my father had one technician that refused to learn how to use the new paint. He said that he was happy and familiar the paint that he had been using and didn't see any reason why he should change. However, when he noticed the advantages of the new paint and how it was better than what he had been using, he began to learn how to use the new paint!

I share that story because I see that to be similar how we live as followers of Jesus, we tend to want to stay in that what is familiar and comfortable for us. Afterall, we have a relationship with Jesus and its working just fine. Well maybe not exactly because when it comes to our relationship with Jesus we should never be satisfied with just enough. We should always be desiring more, we should be longing to go deeper, and grow closer. Just enough is never enough!

As a follower of Jesus, we should not be following His footsteps from a mile behind, actually we should be following him so close that we are putting our foot into the most recent footprint of His as He picks up His foot to make the next footprint!

In ministry with you,

Pastor Mark

BIBLE VERSE OF THE MONTH:

Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of god—what is good and acceptable and perfect. *Romans 12:2 NRSV*

Thou Anoint My Head with Oil

Sheep can get their head caught in briars and die trying to get untangled. There are horrid little flies that like to torment sheep by laying eggs in their nostrils which turn into worms and drive the sheep to beat their head against a rock, sometimes to death. Their ears and eyes are also susceptible to tormenting insects.

So, the shepherd anoints their whole head with oil. Then there is peace. That oil forms a barrier of protection against the evil that tries to destroy the sheep. Do you have times of mental torment? Do the worrisome thoughts invade your mind over and over? Do you beat your head against a wall trying to stop them? Have you ever asked God to anoint your head with oil?

He has an endless supply! His oil protects and makes it possible for you to fix your heart, mind, and eyes on Him today and always! There is peace in the valley! May our good, good Father anoint your head with oil today so that your cup overflows with blessings! God is good and He is faithful!!”
